<http://wiki.kerbalspaceprogram.com/wiki/V...> Version 1.0.1 was released on May 1 st, 2015. The update is a small revision patch to address some of the most noticeable bugs encountered since the release of 1.0. The Story of KSP -- KSP 0.1 Sorry about the delay, what was supposed to have been a nice, normal work week turned into a mad crunch here. Anyhow, continuing with our "KSP Legacy Tour", I give you...
